

## Independent Auditor's Report on Compliance with Bond Covenants

The Honorable Board of Supervisors  
County of Sacramento, California

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the County of Sacramento, California (County), as of and for the fiscal year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated November 30, 2022.

In connection with our audit, nothing came to our attention that caused us to believe that the Sacramento County Water Agency (Agency) failed to comply with the terms, covenants, provisions or conditions of the Master Installment Purchase Contract dated June 1, 2003, as supplemented by the Second Supplemental Installment Purchase Contract for the Series 2007B Revenue Bonds dated May 1, 2007, and the Third Supplemental Master Installment Purchase Contract dated October 1, 2019, between the Sacramento County Water Financing Authority and the Sacramento County Water Agency, and the Master Indenture of 2003, as supplemented and amended by the Second Supplemental Indenture as of May 1, 2007; and of the Master Indenture, as supplemented by the Second Supplemental Indenture, dated February 1, 2022 related to the Series 2019 Revenue Bonds and the 2022A Revenue Bonds, between the Sacramento County Water Financing Authority and the Trustee, dated October 1, 2019, (Indentures), insofar as they relate to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the Agency's noncompliance with the above-referenced terms, covenants, provisions, or conditions of the Indentures, insofar as they relate to accounting matters.

This report is intended solely for the information and use of the Board of Supervisors, County management, the Sacramento County Water Agency, and the Sacramento County Water Financing Authority and is not intended to be and should not be used by anyone other than these specified parties.
