Ms. Ann Edwards, Director
Sacramento County Department of Human Assistance
1825 Bell Street, Suite 200
Sacramento, CA 95831

Dear Ms. Edwards:

The California Department of Social Services' (CDSS') County Partnerships and Performance Monitoring Unit (CPPM) conducted a desk review of your county's work participation rate (WPR) data and supporting documentation to ensure compliance with federal Work Incentive Nutritional Supplement data reporting requirements and work verification procedures. The CPPM reviewed your county's procedures and 18 case files to determine the accuracy of the WPR data reported to CDSS for federal fiscal year 2019.

Following the review, a preliminary report of findings was sent to your county along with instructions on how to dispute any findings. Your county responded and provided additional information and/or documentation, which led to one case being modified from discrepancy to accurate. Sacramento County's final findings are 18 accurate cases.

Thank you for providing additional information to assist with accurately reporting your county's WPR data. If you have any questions, please contact LeeAnne Alvarado at leeanne.alvarado@dss.ca.gov or Kim Murdock, CPPM Manager, at kim.murdock@dss.ca.gov. Thank you.

Sincerely,

Kimberly Brauer
